Hoval energyrecovery. You can count on us.

As a specialist for energy recovery systems, Hoval is your experienced partner with decades of experience in the industry. Hoval energy recovery develops and produces components for heat, cold and moisture recovery for today and tomorrow. The systems are used in ventilation systems and in process technology. You can be sure to save both energy and costs while protecting the environment.

Hoval is one of the leading international companies for energy recovery systems, which are exported worldwide.

We take our responsibility for the environment seriously. Energy efficiency is at the heart of what we develop.

The Hoval logo, consisting of the word 'Hoval' in a bold, white, sans-serif font, set against a dark red rectangular background. The background of the entire advertisement features a scenic landscape with snow-capped mountains, green hills, and a body of water under a bright sky with a large lightning bolt.
